

**Class 6 - Measuring Lengths Using a Scale**

<https://startling-bunny-f2b1a1.netlify.app/measuring-length/>

**Class 6 - Measuring Curved Lines Using a Thread**

<https://startling-bunny-f2b1a1.netlify.app/measuring-curved-lines/>

**Class 6 - Building a Simple Electric Circuit**

<https://startling-bunny-f2b1a1.netlify.app/building-a-simple-electric-circuit/>

**Class 6 - Testing Conductors and Insulators**

<https://startling-bunny-f2b1a1.netlify.app/testing-conductor-and-insulators/>

**Class 6 - Materials Attracted to a Magnet**

<https://startling-bunny-f2b1a1.netlify.app/testing-which-material-are-attracted-to-magnet/>

**Class 6 - Making a Magnetic Compass**

<https://startling-bunny-f2b1a1.netlify.app/making-a-magnetic-compass-using-a-magnet/>

**Class 7 - Measuring Temperature**

<https://startling-bunny-f2b1a1.netlify.app/measuring-temperature-using-clinical-and-lab-thermometers/>

**Class 7 - Convection in Water Using Sawdust**

<https://startling-bunny-f2b1a1.netlify.app/observing-convection-in-water-using-sawdust/>

**Class 7 - Reflection Using Mirrors**

<https://startling-bunny-f2b1a1.netlify.app/observing-reflection-using-concave-and-convex-mirrors/>

Class 7 - Refraction Using Lenses

<https://startling-bunny-f2b1a1.netlify.app/observing-refraction-using-concave-and-convex-lenses/>

**Class 8 - Sliding Friction on Surfaces**

<https://startling-bunny-f2b1a1.netlify.app/comparing-sliding-friction-on-different-surfaces/>

**Class 8 - Making a Kaleidoscope**

<https://startling-bunny-f2b1a1.netlify.app/making-a-kaleidoscope/>

**Class 9 - Measuring Density of a Solid**

<https://startling-bunny-f2b1a1.netlify.app/measuring-density-of-a-solid/>

Class 7 - Dispersion of White Light Using Prism

<https://startling-bunny-f2b1a1.netlify.app/dispersion-of-white-light-using-prism/>

**Class 8 - Reducing Friction with Lubrication**

<https://startling-bunny-f2b1a1.netlify.app/demonstrating-reduction-of-friction-using-lubrication/>

**Class 8 - Making a Periscope**

<https://startling-bunny-f2b1a1.netlify.app/making-a-periscope/>

**Class 7 - Making an Electromagnet**

<https://startling-bunny-f2b1a1.netlify.app/making-an-electromagnet-and-testing-it/>

**Class 8 - Sound from Vibrating Tuning Fork**

<https://startling-bunny-f2b1a1.netlify.app/reducing-sound-using-a-vibrating-tuning-fork/>

**Class 9 - Verifying Archimedes' Principle**

<https://startling-bunny-f2b1a1.netlify.app/verifying-archimedes-principle/>
